

# CPSC 319 Team Meeting Minutes

## General Information

**Date:** Monday, March 25, 2013

**Time:** 3:00pm

**Location:** X153

**Members Present:** All

## Agenda

- 1) TA Demo
  - a. What are we going to do?
    - i. Present what works. Have Jon do the introduction while David sets up. Ryan will narrate the process.
  - b. Who is presenting?
    - i. Ryan, Jon, and David are presenting
  - c. What workflow are we using?
    - i. Start with request creation, then move into user stuff, and then administration stuff.
- 2) UI
  - a. Suggestions on what we should modify the UI to?
    - i. Bootstrap but be careful of how Bootstrap modifies the jQuery libraries—may end up causing big problems with the project... as Jess has sadly learned.
- 3) Any features you noticed that need fixing?
  - a. Issue Tracker

## Extra Notes

Next meeting on Wednesday is going to be held in X153.
